Daimaru, Matsuzakaya and PARCO Cover Major Big Cities across Japan

J. Front Retailing Group operates stores in major cities across Japan, from Sapporo, Hokkaido in the north to Hakata, Kyushu in the south. The Department Store Business operates 16 “Daimaru” and “Matsuzakaya” stores. The PARCO Business operates 17 “PARCO” shopping complexes. We also operate “GINZA SIX” and 10 “ZERO GATE” stores in a new business format which develops urban-style low- to medium-rise shopping complexes. The Group will make the best use of the well-balanced network of store assets in major cities throughout Japan and accelerate new store opening and development strategies for further growth.
