Employment of People with Disabilities

Long-term targets

* Rate of employment of people with disabilities, within the special range, in related companies, including Daimaru Matsuzakaya Department Stores

Within its promotion of diversity, the Group sees the employment of people with disabilities as a key element of corporate social responsibility, and is working to develop hiring and working environments in each Group company. The Group will press ahead with securing stable workplace environments in its operating companies for people with disabilities, and with providing them with workplaces where they can use their abilities to the full.

Special subsidiary, JFR Create Co., Ltd.

In addition to developing working environments in each Group company, The Group founded JFR Create Co., Ltd., as a special subsidiary, in April 2017. It was approved by the Ministry of Health, Labour and Welfare as a special subsidiary in September 2017. The company's operations include sorting company internal mail, making ribbons and price tags to use in sales areas, sealing packages, and PC entry. It has around 20 job types, and each can be matched to individuals to suit their disabilities and symptoms. It also pays attention to working styles and allows shortened actual working hours, and the taking of multiple breaks, so that individuals can work in ways that match their individual disabilities. Therefore, the company has had a 100% retention rate for people with intellectual disabilities since the company was established.

Also, JFR Create has been registered as an "Osaka Prefectural Government Superior Company for the Support of People With Disabilities," for its enthusiastic support for the hiring and employment of people with disabilities.

It also won the "Osaka Prefectural Government Heartful Company Educational Contribution Award" in fiscal year 2019, only two years after the company was established.
